

# The Benefits of Digital

without the hassle and expense of an over-priced digital system

Simply digitize your  
FILM instantly!

## QuickShot™

Instant Film Digitizer

Digital made  
Simple  
& Affordable

"QuickShot has really helped us!  
We're now able to email X-rays and  
show patient X-rays full screen.  
Software is easy to use and simple!  
We love the unit!" Dr. M. Higgins, IL

- ▶ **Magnify your film** to full screen for easy viewing and patient presentation.
- ▶ **Save TIME** by electronically sending images to insurance and referrals.
- ▶ **Save MONEY** by eliminating the need for expensive duplicate films. Email or print high-resolution images.
- ▶ **Use as a stand-alone or with your practice management software** if it supports import of JPG or PNG images.
- ▶ **SOFTWARE INCLUDED:** QuickShot™ is easy to use, intuitive and features a full set of image enhancement tools. Even film with limited detail can be improved dramatically!
- ▶ QuickShot instantly converts your Pan, Ceph, and Intra-oral film to HD Digital!

Just 3 Payments of **\$299** Includes LIFETIME Warranty & FREE Shipping!

## ImageMax Solves Film Processing Problems

By Moving the Chemistry, Not the Film

ImageMax eliminates every office's worst chore, cleaning the film processor! ImageMax is virtually self-cleaning! Your staff will thank you! You'll SAVE money because it uses 80% less chemistry and has a LIFETIME warranty. ImageMax provides consistent images without marks, processes ALL dental films, and has been proven for 18 years!

Just 7 Payments of **\$399**
